EDDY PACKING LAUNCHES NEW FOODSERVICE ITEMS

AUGUST 1ST, 2018

(Yoakum, Texas) (August 1st, 2018) Eddy Packing Company is a premier producer of high quality beef, pork and poultry products, serving up a broadly diversified portfolio of retail branded, foodservice and private label offerings.

Eddy Packing Company is excited to announce the addition of three new items to our foodservice portfolio. Eddy 1573 Extra Hot Beef and Pork Sausage Link, this 5/1 Pork and Beef Link has a great flavor and is perfect as a hot sausage po'boy. This sausage is the perfect way to "spice up" your menu! Eddy 1128 Cooked Sliced Italian Sausage is perfect as a pizza topper or added onto a pasta dish. Eddy 4509 BBQ Sauce with Chopped Beef/TVP has a great price point and is served best on a bun as a chopped beef sandwich.

"We are really excited to roll these items out to our foodservice customers. These items highlight the ability of our Research and Development Team to continue to create new items in a category we have excelled in for over 65 years." Says Dean Sanders, Executive Vice President Sales for Eddy Packing. With more than 65 years in business and an eye toward the future, these new items from Eddy Packing Company are the first in a series of new items to be introduced biannually. Eddy Packing is committed to the ongoing development of quality, flavorful meat products with superior ingredients. Our range of premium products includes marinated, fully cooked, and naturally smoked meat selections in both fresh and frozen varieties.

Eddy Packing Co. was founded in 1953 by E.R. (Eddy) Mayrant, in the small town of Yoakum, Texas. Eddy, his wife and a small dedicated team built a successful meat packing business with a commitment to producing consistent quality products "Made with Family Pride". From humbled roots, Eddy Packing grew over the years and today operates a 300,000 square-foot BRC A-Rated meat processing plant just up the road from where it all began.
